Version control

Version updates relating to the Trust's CQC Statement of Purpose from April 2026 (version 1) will be available on request following any future updates beyond version 1.

Version	Page No.	Description of change	Date approved
1.1	6	Oral Health Improvement service description updated to include West Northamptonshire from 1 October 2026.	
1.1	7	Revised Children's Services section to more accurately reflect the breadth of services offered and align the Statement of Purpose with current service provision.	
1.1	13	Correction of typo (Squirrels unit).	
1.1	14	Notifying that provision at Mill Lodge is scheduled to cease from 31 December 2026, service to be removed from the Statement of Purpose upon closure.	
1.1	15 - 16	The registered locations and the regulated activities table has been updated to reflect the changes to the Children's services section.	
1.2	6	Oral Health Improvement service description updated to include Norfolk from 01 December 2026.	

Vision

For all our services, across 7,000 staff and spanning half of the east of England, we will deliver our Mission.

Our Mission

"To deliver great health and care services in our local communities"

We will have been successful when:

- ✓ Our services are easy for all to access
- ✓ Positive patient and carer feedback is received
- ✓ Our staff say they are well supported to do their job
- ✓ We are meeting or exceeding the quality standards in all of our services
- ✓ We are meeting or exceeding the performance standards in all of our services
- ✓ We are managing our money and resources well

How we deliver care and operate across the whole organisation will need to change and we have therefore developed our vision for the future and the four key priorities that will have most impact:

Our Vision is that we will be

"Transforming lives and building healthier communities together"

This will be achieved by focusing on four key priorities:

1. Putting people in control of their care
2. Valuing our Colleagues
3. Working in Partnerships
4. Innovating and transforming our organisation

Priorities

Our priorities as a Trust are:

- **Putting people in control of their care**
- **Valuing our Colleagues**
- **Working in Partnerships**
- **Innovating and transforming our organisation**

Values

- **Integrity**
- **Compassion**
- **Inclusion**
- **Ambition**

East of England Community Health and Care NHS Trust is a provider of community health services serving the populations of Bedfordshire, Cambridgeshire, Luton, Milton Keynes, Peterborough and Suffolk, and Norfolk.

East of England Community Health and Care NHS Trust has 17 registered locations. Our Head Quarters are Units 7 & 8 Meadow Park, Meadow Lane, St. Ives, Cambridgeshire PE27 4LG.

Commissioning of Any Qualified Providers (AQPs) to deliver Children's Continuing Care Services in Milton Keynes

From the 1st of April 2026 East of England Community Health and Care NHS Trust is responsible for the development, coordination and management of Continuing Care packages in Milton Keynes. This will be delivered in line with the National Framework for Children and Young People's Continuing Care and the local Children's Continuing Care

Policy of Bedfordshire, Luton and Milton Keynes' Integrated Care Board (BLMK ICB). The aim is to deliver a community-based Continuing Care service for children and young people from birth until their 18th birthday, who are deemed as eligible for support. This is to enable their assessed needs to be met and promote optimum health and wellbeing. This will be delivered by ensuring the packages are specific and personalised to meet the needs of each child/young person and their family, through the commissioning of Any Qualified Providers (AQPs) to deliver the care packages.
This responsibility was held from the 1 October 2022, by Cambridgeshire Community Services NHS, transferred into East of England Community Health and Care NHS Trust in April 2026.

LOCATIONS

Location 1:	
CQC ID: A4D6M	
Name of location	Head Quarters
Address line 1	Units 7 & 8
Address line 2	Meadow Lane
Address line 3	St Ives
Address line 4	Cambridgeshire
Address line 5	PE27 4LG

Location 8:	
CQC ID: RY312	
Name of location	Norwich Community Hospital
Address line 1	Bowthorpe Road
Address line 2	Norwich
Address line 3	Norfolk
Address line 4	NR2 3TU
Alder Ward, Mulberry Unit	Alder Ward is a 24 bedded nursing led inpatient unit and provides nursing and rehabilitation to adults within a multi-disciplinary context. The unit provides an integrated approach to care and rehabilitation aiming to maximize the rehabilitation potential for all users with a focus on HomeFirst discharge. Patients transfer either from their home in the community or from an acute hospital to receive a period of care in an intermediate bed to support recovery, rehabilitation and long-term discharge planning. The ward also supports people requiring palliative and terminal care and those requiring symptom control, assessment and/or terminal care. The unit works closely with integrated community-based outreach teams and social work teams, to follow patients through to deliver care at home.

Beech Ward, Mulberry Unit	Beech Ward provides specialist Level 3 stroke rehabilitation for 24 patients admitted from the acute hospital. The Early Supported Discharge (ESD) team provides home-based rehabilitation for patients meeting the referral criteria. The service is provided for patients aged 18 and above who have suffered an acute stroke and meet the referral criteria for the service. The service aims to provide high quality specialist rehabilitation to patients within both inpatient facilities and the patient's own home following an acute stroke, in order to allow patients to achieve their optimal level of independence and reach their maximum rehabilitation potential. The ESD team provides a follow up service to all patients 6 months after the onset of their stroke.
Willow Therapy Unit	The Willow Therapy Unit is a 48 bedded unit and supports patients with a wide range of physical conditions. It is based on the Norwich Community Hospital Site in Norwich. The service provides expert therapeutic care and rehabilitation to adults supported by a multidisciplinary team and with a lower overall Unit expectation of average length of stay. Patient care is individually assessed and rehabilitation potential is maximised through 7 day therapy service and enhanced therapeutic ethos across the multidisciplinary team. The unit works closely with integrated community based outreach teams and social work teams, to follow patients through to deliver care at home. Patients transfer either from their home in the community or from an acute hospital to receive a period of care in an intermediate bed to support recovery, rehabilitation and long-term discharge planning. The ward will also supports people requiring palliative and terminal care and those requiring symptom control, assessment and/or end of life care.

Location 9:	
CQC ID: RY311	
Name of location	Colman Hospital
Address line 1	Unthank Road
Address line 2	Norwich
Address line 3	Norfolk
Address line 4	NR2 2PJ
Caroline House	Caroline House is a specialist neurological rehabilitation unit for patients with Acquired Brain Injury. It is a holistic, patient-centered service for people with complex neurological conditions, to support patients for optimal physical, cognitive, psychological, and social function. The service works with the patients and their family to minimise the impact of their condition and achieve their optimum level of autonomy and participation in society. Services are delivered in a hub-and-spoke model with inpatient facilities at Caroline House (20 beds) and day patient services provided from Jubilee House and Colman Hospital. Community specialist neurological rehabilitation is also delivered in a wide variety of community settings.
Pine Cottage	Pine Cottage is a 9 bedded specialist amputee rehabilitation inpatient unit for amputee and post-surgical patients. The interdisciplinary team includes resident doctors, nurses, physiotherapists and occupational therapists that have expert knowledge and training in the assessment and management of amputee and post-surgical patients. Additional therapy, following discharge from a hospital setting, for patients requiring continued specialist amputee rehabilitation, is provided by the Prosthetic outpatient service at the Rehabilitation Service Centre, Julian Hospital.

Location 10:	
CQC ID: RY319	
Name of location	Dereham Hospital
Address line 1	Northgate
Address line 2	Dereham
Address line 3	Norfolk
Address line 4	NR19 2EX
Brief description of location	Foxley Ward is a 24 bedded nursing led inpatient unit and provides nursing and rehabilitation to adults within a multi-disciplinary context. The unit provides an integrated approach to care and rehabilitation aiming to maximize the rehabilitation potential for all users with a focus on HomeFirst discharge. Patients transfer either from their home in the community or from an acute hospital to receive a period of care in an intermediate bed to support recovery, rehabilitation and long-term discharge planning. The ward also supports people requiring palliative and terminal care and those requiring symptom control, assessment and/or terminal care. The unit works closely with integrated community-based outreach teams and social work teams, to follow patients through to deliver care at home.

Location 11:	
CQC ID RY332:	
Name of location	North Walsham Hospital
Address line 1	Yarmouth Road
Address line 2	North Walsham
Address line 3	Norfolk
Address line 4	NR28 9AP
Brief description of location	North Walsham Hospital is a 24 bedded nursing led inpatient unit and provides nursing and rehabilitation to adults within a multi-disciplinary context. The unit provides an integrated approach to care and rehabilitation aiming to maximize the rehabilitation potential for all users with a focus on HomeFirst discharge. Patients transfer either from their home in the community or from an acute hospital to receive a period of care in an intermediate bed to support recovery, rehabilitation and long-term discharge planning. The unit works closely with integrated community-based outreach teams and social work teams, to follow patients through to deliver care at home.

Location 12:	
CQC ID RY33E:	
Name of location	Swaffham Community Hospital
Address line 1	Sporle Road
Address line 2	Swaffham
Address line 3	Norfolk
Address line 4	PE37 7HL

Brief description of location	Swaffham Community Hospital a 18 bedded nursing led inpatient unit and provides nursing and rehabilitation to adults within a multi-disciplinary context. The unit provides an integrated approach to care and rehabilitation aiming to maximize the rehabilitation potential for all users with a focus on HomeFirst discharge. Patients transfer either from their home in the community or from an acute hospital to receive a period of care in an intermediate bed to support recovery, rehabilitation and long-term discharge planning. The ward also supports people requiring palliative and terminal care and those requiring symptom control, assessment and/or terminal care. The unit works closely with integrated community-based outreach teams and social work teams, to follow patients through to deliver care at home.

Location 13:	
CQC ID RY335:	
Name of location	Kelling Hospital
Address line 1	Old Cromer Road
Address line 2	High Kelling
Address line 3	Holt
Address line 4	Norfolk
Address line 5	NR28 6QA
Brief description of location	Pineheath Ward is a 24 bedded nursing led inpatient unit and provides nursing and rehabilitation to adults within a multi-disciplinary context. The unit provides an integrated approach to care and rehabilitation aiming to maximize the rehabilitation potential for all users with a focus on HomeFirst discharge. Patients transfer either from their home in the community or from an acute hospital to receive a period of care in an intermediate bed to support recovery, rehabilitation and long-term discharge planning. The ward also supports people requiring palliative and terminal care and those requiring symptom control, assessment and/or terminal care. The unit works closely with integrated community-based outreach teams and social work teams, to follow patients through to deliver care at home.

Location 14:	
CQC ID RY386:	
Name of location	Ogden Court
Address line 1	60 Ogden Close
Address line 2	Wymondham
Address line 3	Norfolk
Address line 4	NR18 0PE
Brief description of location	Ogden Court is a 21 bedded nursing inpatient unit and provides nursing and rehabilitation to adults within a multi-disciplinary context. The unit provides an integrated approach to care and rehabilitation aiming to maximize the rehabilitation potential for all users with a focus on HomeFirst discharge. Patients transfer either from their home in the community or from an acute hospital to receive a period of care in an intermediate bed to support recovery, rehabilitation and long-term discharge planning. The ward also supports people requiring palliative and terminal care and those requiring symptom control, assessment and/or terminal care. The unit works closely with integrated community-based outreach teams and social work teams, to follow patients through to deliver care at home.

Location 15:	
CQC ID A9Z2J:	
Name of location	Priscilla Bacon Lodge
Address line 1	Century Place
Address line 2	Colney
Address line 3	Norwich
Address line 4	Norfolk
Address line 5	NR4 7YA
Brief description of location	Priscilla Bacon Lodge provides specialist palliative care for adults with advanced, progressive illness, including malignant and non-malignant conditions. The service supports patients with complex palliative care needs and their families, where care cannot be met through curative treatment or in other care settings. Services provided are: • A 24-bedded hospice unit providing 16 specialist palliative care beds and 8 Continuing Healthcare (CHC) Fast-Track nurse-led end-of-life care beds. • A Living Well service, providing outpatient clinics, nurse- and therapy-led interventions, psychological support, clinical reviews and treatments. • A community specialist palliative care nursing service, including a 24/7 advice line, providing specialist advice, support and end-of-life care to patients, families and healthcare professionals. Care is delivered by a multidisciplinary team, and patients may move between services according to clinical need.

Location 16:	
CQC ID RY352:	
Name of location	Squirrels'
Address line 1	5 Mill Close
Address line 2	Aylsham
Address line 3	Norfolk
Address line 4	NR11 6LZ
Brief description of location	This short break respite service is for children with complex health needs with or without a Learning Disability. The units can take up to two children, sleeping overnight, at any one time, taking into account the compatibility of children and staffing ratios. On average children receive between 4 and 5 nights care per month and a longer annual holiday of up to 7 days. During their stay children receive care appropriate to their identified health needs - these can include management of their epilepsy; feeding requirements; and maintenance of their chronic condition. The service is accessed via referral at a monthly panel meeting. Panel consists of Team Manager, Home Leaders, Children's Community Learning Disabilities Nurse Representative, Social Worker Representative from East and Central Children with Disabilities Team. The Children engage in their usual activities during the day, for example school. Note: In certain circumstances, on the advice of the lead clinician, the multi-disciplinary team and in agreement with the commissioner, these units may continue to provide short breaks to young adults over 18 years and up to aged 19 years. This will be assessed on a case by case basis and the Trust will notify the CQC accordingly

Location 17:	
CQC ID RY3X4:	
Name of location	Mill Lodge
Address line 1	156 & 158 Kingswood Avenue
Address line 2	Taverham
Address line 3	Norwich
Address line 4	Norfolk
Address line 5	NR6 6UR

Brief description of location	This service provides short break respite care for adults with complex health needs who have a Learning Disability. The unit has five beds. On average, clients will access up to 6 days per month and a longer annual holiday up to two weeks duration. During their stay clients receive care appropriate to their identified health needs - these can include management of their epilepsy; feeding requirements; and maintenance of their chronic condition. Referrals are received from care managers, lead workers and social workers. The service at Mill Lodge is scheduled to cease on 31 December 2026 and will be removed from the Statement of Purpose once the change takes effect. The Care Quality Commission will be notified in accordance with regulatory requirements.
